

NORMANDISE

Pet Food

OFFERING THE BEST FOR YOUR PET

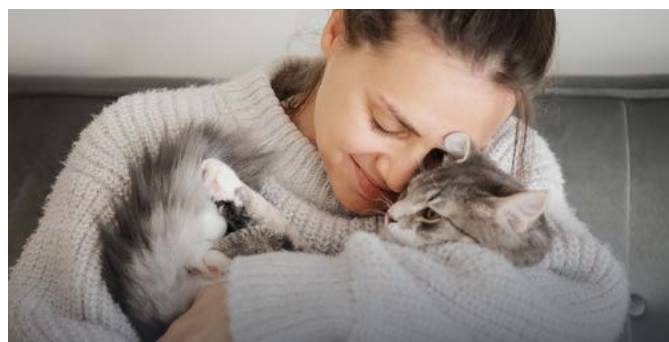

« **Family business established for more than 30 years in Normandy**, we manufacture and market complete and complementary pet food.

With one mission : **offering the best for your pet through healthy and balanced diet.** »

Jean-Charles & François
Duquesne

WELL-BEING

Dogs and cats as different as they are, do inspire man from the beginning of civilization. Today **they are part integral part of our life** and illuminate our days.

Offering a healthy and balanced diet that contributes to their health and well-being is more than just a duty, **a real passion !**

INDUSTRIE DU FUTUR

I The company has grown fast since its creation thanks to recurrent investments, still more efficient. **Today this dynamic is always anchored in our DNA**

I Normandise Pet Food has been labeled “Industry of the Future Showcase” in september 2021 by the alliance Industry of the Future (AIF) which brings together the

organizations professional industry and digital as well that academic partners, technologies and financing companies.

I Most Engaged Industry Award in the modernization of the tool for production thanks to the solutions and Industry of the Future technologies combining digital.
